

A natural base for marine pursuits

Bribie Island provides the perfect base to enjoy the ultimate in boating and fishing. From the sheltered waters of Pumicestone Passage, ocean access is safe and quick, with no treacherous bars to navigate.

One of the best game fishing grounds in the world can be reached in less than an hour from Bribie Island. Most of Australia's game fishing grounds are remote and isolated. Venture a short way from the island tranquility and the sheer adventure of ocean fishing takes over.

Latitude 27° 03' 1" S Longitude 153° 08' 34" E

And perhaps the best thing about Pacific Harbour is it's only an hour's drive from Brisbane's CBD and 45 minutes from the domestic and international terminals.

An unparalleled boating and recreation destination coming soon

Amazing destinations to explore by land and sea.

The Star Marina Group includes Coffs Harbour International Marina, Tin Can Bay Marina, and the Pacific Harbour Marina at Bribie Island (due for completion in 2009). We share your love of boating and understand your needs. Whether you're heading north or south, take advantage of our Star Marina Cruising Club rates and discounts. Our friendly staff are waiting to welcome you ashore.
