Arriving By Car

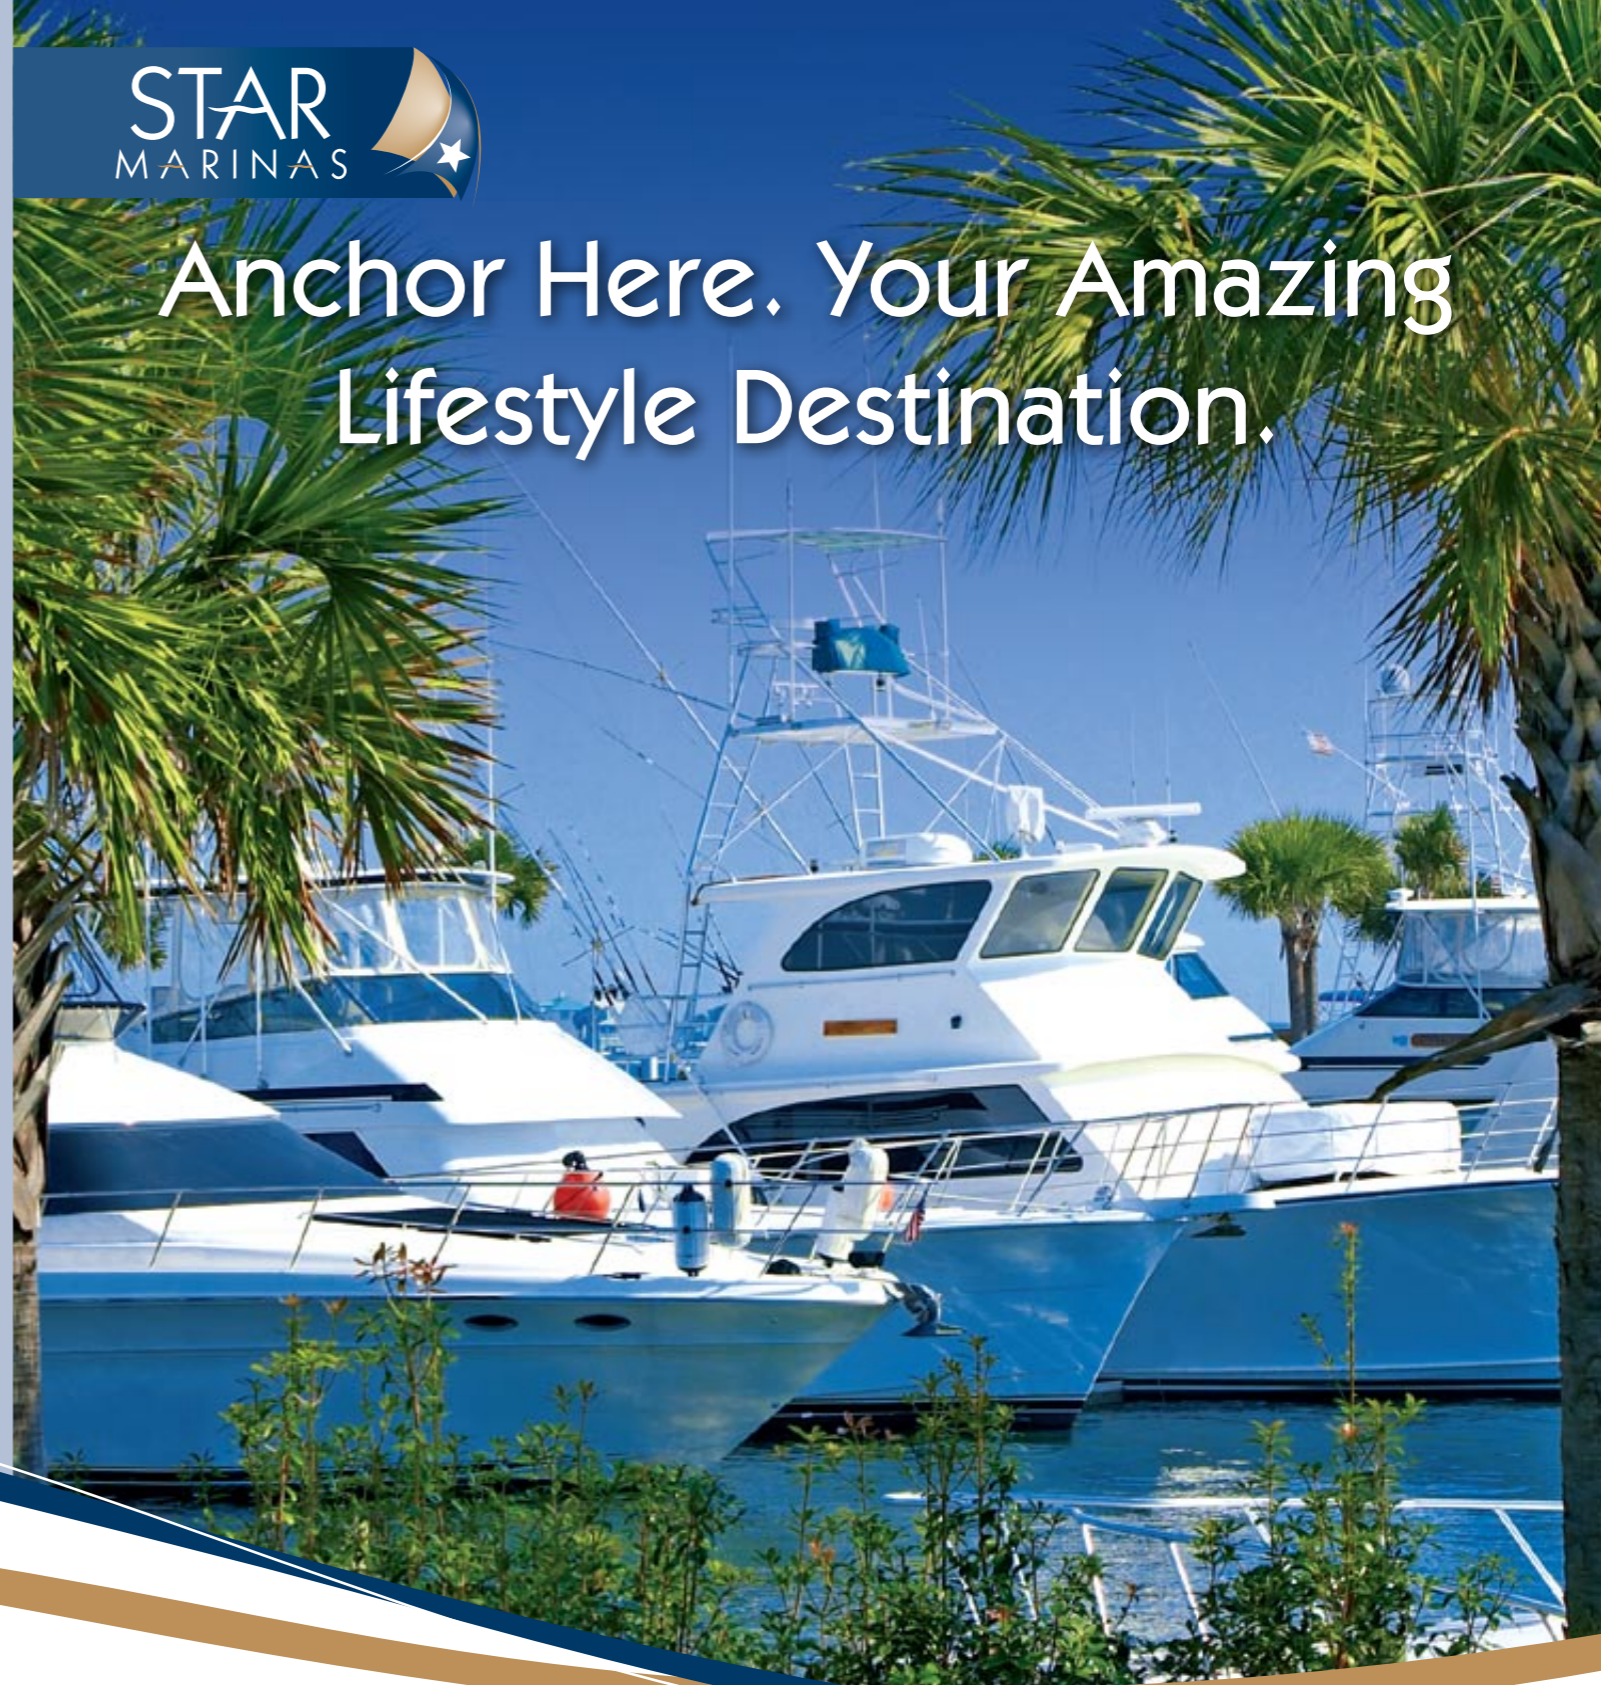

The best thing about Pacific Harbour is it's only an hour's drive from Brisbane's CBD and 45 minutes from the domestic and international terminals. From Bruce Hwy, take Bribie Island Road turn. Follow Bribie Island Road until you reach the Bribie Bridge. Take a sharp (hard) left at the end of the bridge (into Sylvan Beach Esp - stay on this until the end). Turn right at the round-about onto Marina Boulevard and follow until you reach the Marina entrance on your left (second round-about).
